Jobs

The ABAI Career Center is one of the leading behavior analysis career websites for employers and job seekers alike. Whether you're looking for job opportunities that suit your interests and qualifications or searching for high-quality

candidates to fill job openings at your company, be sure to visit abainternational.org/careers.aspx to get started today.

Target Audience

The target audience for each invited presentation includes certified behavior analysts, behavioral consultants, behavioral therapists, applied behavior analysis technicians, clinicians, educational consultants, psychologists, qualified autism services practitioners, special education teachers, and individuals working with children with autism or other developmental delays.

Continuing Education

The Association for Behavior Analysis International (ABAI) is:

- An ACE provider for the Behavior Analyst Certification Board (BACB)
- Approved by the International Behavior Analyst Organization (IBAO) to offer CE for behavior analysts
- Approved by the American Psychological Association (APA) to sponsor CE for psychologists
- Approved by the National Association of School

Psychologists (NASP) to offer CPD for school psychologists;

- Approved by the Qualified Applied Behavior Analysis Credentialing Board (QABA) to offer CE for those with Applied Behavior Analysis Technician or Qualified Autism Services Practitioner credentials.

CE type(s) available are indicated in the session details on the following pages, in the online program, and in the ABAI Events app. Not all sessions are approved for all CE types.

ABAI maintains responsibility for this program and its content.

To receive CE credit, you must scan in and out of each session and purchase the appropriate CE package. CE packages can be purchased online or at the registration desk.

Scans made more than 5 minutes after session start time or earlier than 5 minutes before session end time will not be accepted.

Nursing Room

The designated Nursing Mother's room is located on the 4th floor in Oakley. To obtain access, please visit the registration desk.
